**FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE
FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE**

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary.*

3.3 CUSTOMER SERVICE EXPERIENCE

Instructions. Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

- A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

We constantly go over new policies and efficiency techniques in order to provide quick, courteous, consistent, and efficient service to all of our customer on a day to day basis. We are always going over any questions or concerns that employees, and customers have alike. We are here to help and serve the public. The customers are our JOB! We have set up tracking measures to measure mistakes made by employees, and when we see certain mistakes made repeatedly or by a few employees, then we interject measures, i.e. (such as additional training, or making it a monthly meeting point to talk about). This is to ensure that every clerk that a customer will go to will be just as knowledgeable. I want to further fine tune the methods used above to predict outcomes and short comings of employees, by using data gathered, we can predict mistakes that are highly likely to be made by employees that have also made similar mistakes, so that way I can stop them before they even happen. I will continue to train all employees to a point to where they can quickly and accurately help all customers. The friendly service that is expected, coupled with less wait times will keep customers happy. I also feel that it is imperative that I am on the counter overseeing, and managing all operations at hand.

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

I plan on being a working Deputy Registrar. I plan on being at work everyday, overseeing every detail that goes on in the business. This position will be a full time position, and I will manage every aspect of it.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

I plan on being a working Deputy Registrar and overseeing that every law, policy, and procedure is being followed at all times. I plan on keeping all employees trained and knowledgeable of all policies at all times to ensure that all Identification cards and Drivers License are being processed correctly.

3. What measures will you put in place to detect, deter, and prevent fraud?

Everything in the office has to do with accountability. All money and documents have to be signed off by at least one employee and one manager/supervisor. I also have put into place honesty policies, so that every employee knows what is expected of them in respects to fraud, so there are no assumptions.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

Every revised policy will be printed out and read over by EVERY employee. They will also sign the paper indicating that they have read the revision. At this point, if there are any questions, they will be addressed and solved at this time. I will have an open door policy for all employees. I also will personally review policies with all employees.

5. How will you demonstrate good leadership to your employees?

I show up every single day and work right along side them. When all of the back office work is caught up and completed, I come out of the office and work the counter right along side of the employees, assisting them and providing guidance while overseeing the work is being done correctly. This not only helps with morale, but it helps ensure high service levels.

6. How will you maintain a high level of professionalism each day in this business?

I will continue to strive for the same level of professionalism that I have brought to the job for the last 15 years; and I expect all of my employees to do the same thing. We come into the office, read up on all the new material and policy changes, talk about the changes, then go into action putting them into place. We are here to serve the customer!! Not the other way around.

7. How do you intend to recruit and retain high quality employees?

I feel it is important to create a pleasant, friendly working environment. Incentives are crucial in boosting employee morale. I feel it is essential to provide the right incentives to the right employees. The employees that have proven their work ethic and accountability will be rewarded.

8. How will you provide a safe, clean and friendly place to do business?

I will be a working Deputy Registrar, so I will be in the office at all times, to ensure the employee policies will be followed through on. I expect a nice, clean, respectful environment for all employees and myself. All the cleaning will be done in house, every week, and as needed. I expect a friendly environment at all times. I have also been trained in A.L.I.C.E. for safety.

9. How would you deal with an irate customer?

I try to figure out what the underlying issue is for the anger. Normally its frustration with bad information or not having all the information needed in order to obtain the credentials they wanted. I try to use the customer service modules when giving bad news, before I give the correct information. No is never the only answer, there are always other options for the customer.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

The advice that I would give them is to imagine yourself on the other side of the counter. Empathize with the customer's plight. Give them the correct information needed, and try to go out of the way for them. The only thing my office can offer different than another office, is kind, efficient service. Then soon enough the irate customer isn't as irate anymore.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

I will meet them by continuing the actions and lessons learned from prior experience. I will be a working Deputy Registrar, this will be my livelihood. I will be solely responsible for all actions taken by this office and I do not enter into this light hearted. The pressure I put on myself to succeed will far outweigh any pressure that will be put on me by any other entity. I will not be a problem child or on your radar for anything, but good things.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

I feel that I have the experience and education to succeed. I have been involved in 2 agency take overs and 1 agency I alone took over. I also took on a 2nd agency 5 years ago and not only maintained, but surpassed expectations for servicing our customers. All of the agencies did not hold the same standard expected. We have turned all 4 agencies around, obtaining great scores on evaluations, and also kept wait times under 5 minutes. I have maintained high scores on my evaluations and raised the level of business and what is expected at each agency. During my time as deputy registrar at the Steubenville agency, we won the 2017 Frontline Award for Most Improved in District 2. We also are consistently in the top 10 in the state for donation percentage. I continually strive to meet and exceed every benchmark set in place. I have seen what works and what doesn't, and I plan on emulating what has worked in the past and implementing the new technology made available to us by the BMV to continue to elevate the level of customer service received at the agencies. I am determined and hardworking, and nothing is more important than effort. I will bring 100% every day.

Proposer's name: Matthew J Wilcox Location number: 60-A

Instructions. Use this form to project the number of hours the deputy registrar, office manager, assistant office manager, and all other experienced (if known) and/or new hire employees will work, the projected hourly wages paid, and the weekly and monthly payroll costs.

The deputy registrar shall be regularly scheduled and on duty at the license agency at least twenty (20) hours per week, during regular business hours. This twenty-hour requirement does not apply to nonprofit corps., county auditors/clerks of court, or deputy registrars operating multiple locations (assessed as received). The deputy registrar shall appoint a full-time office manager, who shall be either the deputy registrar or a full-time employee with responsibility for management of the agency. The office manager shall be regularly scheduled, and shall work at least thirty-six (36) hours per week during regular business hours. The deputy registrar shall also designate an assistant office manager who shall supervise the agency in the absence of the deputy registrar and the full-time office manager.

The projected total weekly work hours for the deputy registrar and all employees should equal or exceed the minimum staffing recommended for the Class Size Agency as prescribed in the Agency Specifications.

In accordance with the standards established by the United States Department of Labor, Wage and Hour Division; Ohio Constitution; and Ohio Department of Commerce; all license agency employees must be paid at least the current minimum wage rate of \$7.25 per hour by businesses with gross receipts of less than \$394,000 per year and \$10.70 per hour by businesses with gross receipts of \$394,000 or more per year.

The deputy registrar need not list any salary or wages for the deputy's own service as deputy registrar or as the office manager.

Caution. For deputy registrars who also serve as the office manager, be careful not to duplicate hours worked.
