FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE
FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary.*

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

As a business owner (current Deputy Registrar), I take great pride in my agency. I am available 24/7 (including most time away) via cell phone if I am not in the office. Staff, BMV, local emergency service personnel, landlord, and City of BG all have personal cell phone number.

I am an active participant in a number of organizations, including ODRA, Chambers of Commerce, etc. to stay current with and involved in the industry and community.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

Adherence to the policy and procedures manual in addition to broadcasts, emails, and other communications (field reps, drivers help line, etc.) is paramount. Should a question arise, I contact my Field Rep for guidance.

I routinely review apps (physical form and via BASS) as well as view samples of various security camera recordings (including sound).

Violations are subject to the appropriate disciplinary policy. Perfect evaluations are rewarded.

3. What measures will you put in place to detect, deter, and prevent fraud?

In addition to the policies and procedures set forth by the State of Ohio, our internal controls include code word(s) to use with management to communicate potential fraud.

We maintain a positive relationship with local law enforcement.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

As broadcasts and other communications are received, we print them out and have all employees read and initial. If there are questions, we ask our field representative.

5. How will you demonstrate good leadership to your employees?

I lead by example with high energy and a positive attitude. I do my best to stay current in leadership methods as I teach various leadership skills at BGSU.

I plan to attend annual leadership conferences/seminars.

Communication and transparency are key. I meet with employees regularly to discuss business strategy, reports, and offer feedback.

6. How will you maintain a high level of professionalism each day in this business?

Leading by example and adhering to the Employee Handbook. We will keep customer value our focus and goal. That will drive perpetual professionalism.

7. How do you intend to recruit and retain high quality employees?

Should there be an increase in revenue (primarily through DR Fee adjustments), pay raises will be immediate. I regularly provide free lunch and coffee to boost morale. Upon receipt of perfect evaluations, I have brought in a masseuse for free 30-minute massages and provided cash bonuses. As of January 1, 2020, I have provided life and short-term disability insurance to all employees at no cost to them. I also provide a 401k plan with up to 4% match. All employees have access to free & confidential financial advising by a Financial Advisor I keep on retainer.

As for recruitment, I rely on referrals and my community and University contacts to identify potential employees. I keep a file of previous applications.

8. How will you provide a safe, clean and friendly place to do business?

My background is in property and operations management as well as entrepreneurial thinking, so I am constantly looking for concerns and/or possible opportunities to improve. I have a very close working relationship with the landlord, their office staff, and maintenance supervisor.

I lead by example and will continue to bring high energy and a positive demeanor to the office.

9. How would you deal with an irate customer?

A soft answer turns away wrath. I've found the best way is to use a gentle tone and walk alongside the customer. Show him/her understanding while remaining firm in the policy/procedure/law in question. Provide as many options as possible instead of simply saying "no." It is important to fall in love with the customer's problem rather than the solution. In doing so, the customer sees my agency as a partner instead of a provider.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

We provide customer service training that incorporates the aforementioned answer (see 9 above). I believe in the see it, learn it, do it approach. This means I want my staff to see it done properly (by myself or experienced coworker). Then, we will discuss with the staff what they just saw. We will then allow the staff member to handle the next situation on their own while remaining within earshot in case there is a need for correction or assistance.

Any pertinent strategies learned via aforementioned leadership conferences/seminars will be passed along to staff.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

My business model is focused on customer value. That is my and the BMV's guiding principle. My mission statement closely mirrors that of the BMV, and my vision statement takes it a step further to "challenge the public's perception of our industry."

Our internal policies and procedures make that happen.

Make sure that my agency is fully-staffed with knowledgeable and personable people that adhere to the policies, procedures, and overall brand of the BMV.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

I am currently a Deputy Registrar.

My customer satisfaction surveys are exemplary.

I have the support of my staff and cooperative agencies (Exam Station & Title Office).

I make customer value my top priority and embody the brand of the BMV.

I am committed to continuous improvement and embrace change.
