I operate BMV computers daily for agency operations including making deposits, assigning and balancing tills, running reports, inventory, document review and approval, policy compliance, training, and email.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE
FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE

Instructions. Please fill out one of these forms 3.2(B) for each separate management or supervisory job you have held. Do not use this form 3.2(B) for business ownership or regular employee positions. Use a separate form 3.2(B) for each management or supervisory position that you have held. *Please make additional copies of this form as necessary.*

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

I'll be able to immediately implement a strong management team, starting with my office manager David Davis who will be joining me in my next step as Deputy Registrar. Mr. Davis has worked for the BMV for the last decade establishing himself quickly as a force by becoming office manager of Xenia License Bureau within 4 years. He has had years of experience as an effective and efficient office manager, and has personally been one of my strongest mentors, as well as my Deputy Tara Stephens. They have given me every tool necessary of running a high level agency. Having the best OM will make my shift effortless and allow me to utilize all of my tools to run a proficient agency.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

Consistent revision of the Deputy Registrar manuals, BMV website, broadcasts, and the Ohio Revised Code. Streamlining pertinent information to my staff will be a priority from me and my management team, as we will insure staff are reviewing DR manuals and broadcasts by having them initial memos and broadcasts. I, along with my management, will monitor all transactions and review applications for procedural accuracy.

3. What measures will you put in place to detect, deter, and prevent fraud?

Providing quality fraudulent document detection tools will be the first measure taken, as well as consistent fraudulent document training to ensure all employees are adequately equipped with all the tools and resources needed to ensure fraudulent documents and transactions will not happen. Employing honest and integrable people will be a personal goal of mine as maintaining a safe and responsible agency is my highest priority.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

A system will be in place for ensuring that all broadcasts and policy revisions are always being reviewed and practiced. Broadcasts will be printed immediately and passed around for revision by on duty staff followed by requiring initials by all staff on the printed broadcast. A designated clipboard or area will be in plain view for non present staff to review and initial after they have clocked in for their shift. Manual updates and pertinent emails will also run under the same system as broadcasts. Policy and procedural updates will be periodically tested to assure retention of information.

5. How will you demonstrate good leadership to your employees?

I'm able to lead by example, which provides my employees a clear guideline of what my expectations are. I will demonstrate a strong work ethic, high level quality customer service, and an eagerness to answer any questions and concerns. Being able to gain trust by giving grace to staff that need the help with understanding policy and procedures will allow my agency to run as efficiently as possible.
There is nothing I would ask of my staff that I myself would not do, or have not done.

6. How will you maintain a high level of professionalism each day in this business?

I will be strictly monitoring and enforcing professionalism across my agency. It will start from the top down, starting with myself as an example for the rest of the office. Staff will be made aware of keeping customer conversations professional and only relating to BMV related matters. A dress code will be enforced to maintain a visual representation of professionalism. Any elements of the agency that are unprofessional will be eliminated.

7. How do you intend to recruit and retain high quality employees?

There are certain practices and methods that I will use to ensure retention of staff and further recruitment of new talent by providing an agency with a comfortable work environment, competitive wages and bonus opportunities, fair promotional opportunities, and showing staff my appreciation of hard work and expressing gratitude with office morality incentives like parties, free lunches and or dinners, and bonus opportunities.
I will also use hiring applications and websites to streamline the hiring process while conducting my own system of interviewing and hiring new employees.

8. How will you provide a safe, clean and friendly place to do business?

I intend to be very hands on with my agency so I'll be able to observe for needs or concerns that may come up by staff or customers. Security system, strategically placed panic buttons, and functional smoke and carbon monoxide alarms will provide tools to protect the agency. Daily and weekly cleaning schedules will be in place to assure the office and agency is at the standard of cleanliness I require, as well as hiring outside professional cleaning services as needed.
My lead by example policy will also ensure a friendly work environment, as staff will be able to use my customer service as a model of what I expect from my employees. There are many BMV's in Ohio, one way to ensure a returning customer is the way you treat them.

9. How would you deal with an irate customer?

In the past decade, I have gained tons of experience in dealing with irate or upset customers. It's a part of the business, it's an inevitable fact that it will happen at some point. I have been called upon to handle these specific situations as an OM and assistant manager. There are many tools and tricks, but the most important thing you can do is to be as informative and as clear as possible. Many times the frustration stems from the misunderstanding of a policy by the customer. Nobody wants to hear bad news but if you can deliver it in an informative and personable way, many times the escalation can be avoided altogether. Knowledge and understanding of the policies by all staff will be a top priority along with customer service to mitigate irate customers. A strong management team will also be readily available to handle any additional questions a customer may have. You always want the customer to be able to communicate their points and concerns, but you also want to give them correct and clear information as well as be helpful toward a possible solution.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

One of the most important pieces of advice is to remind my employees to not take it personally, that every person walking through that door might be going through a difficult time or situation. Their frustrations are being directed towards you, because we have what they need. It's our responsibility to make sure we are strictly following BMV policy and procedure, but also to make sure we are giving our customers the information they need. Being able to explain why we can't provide what they need, and then following it up with suggestions on how to solve that issue, lets the customer leave our office with a plan or a directive on how to get what they need. Leaving empty handed is a little easier when the reasoning has been explained to you and you've been given options on how to correct it. Stay calm, be clear and direct with your information, and use empathy when helping a potential irate customer.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

I've been able to watch and learn from my current deputy on how to meet and exceed BMV expectations, as she has been awarded a second and then a third agency. Being a direct part of this growth, and learning from her on how to expand the expectations of the BMV will be pivotal for me with my own agency. I've had the privilege of being responsible for my agencies evaluations, and through 5+ years of doing this I've been able to demonstrate my ability to provide excellent evaluation scores and customer experience. Reviewing, practicing, and enforcing policies laid out by the BMV will ensure my staff have the same tools I had to not only meet, but exceed the expectations of the BMV.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

I have had the privilege of working alongside a Deputy who has consistently demonstrated the ability to accomplish feats that the BMV itself did not believe were possible. Under her leadership, she has successfully expanded operations to include three high-performing agencies. I have been directly involved in each phase of this growth, contributing to the transition from two to three agencies. This experience has provided me with an in-depth understanding of what it takes to exceed expectations when presented with the right opportunities.

The only thing I am currently lacking is that opportunity. I have interviewed for three separate agencies with deputy vacancies and, despite being passed over on each occasion, I have received encouragement to continue bidding and interviewing. Both field staff and BMV administration have recognized my potential, and I have used these moments of rejection as motivation to improve and refine my skills. My goal is to be fully prepared so that when the opportunity does arise, I will be positioned to make the most of it. I am confident that I have the ability to succeed in this role, a sentiment shared by field staff, and I trust that you also recognize my capabilities. I am eager and fully prepared to prove myself.

As a Deputy Registrar, my personal goal will be to deliver exceptional service to my customers, ensuring efficient and accurate transactions, a knowledgeable and friendly staff, and a clean and safe environment. I will accomplish this through the implementation of effective policies and systems designed to streamline counter transactions, maintain transactional accuracy through live checks and error-correction procedures, and provide ongoing training and evaluations for staff to ensure top-tier customer service. Additionally, I am committed to investing in the agency's growth, addressing both cosmetic and functional needs as they arise.

I am ready for the opportunity to take on this responsibility. I have spent the past decade preparing for this role, and I am confident in my ability to excel as a Deputy Registrar.
