No _____ Yes

If "YES" please explain all computer experience in detail.

On a daily basis I use Gmail for personal emails and I use Outlook to correspond with fleet customers as well as

using to check state emails. I utilize google sheets on a weekly basis to create the schedule.

When completing school work I primarily completed all work on Google Docs and Microsoft Word.

There were also lots of instances where I was able to become familiar with and use Google Slides as well as Powerpoint for presentations. All of the use of these applications have allowed me to help the deputy

quickly and efficiently on different tasks throughout the years. I have been using BASS almost every day for

the past seven years working at the BMV to complete daily reports, reviewing drivers transactions, and

processing customer transactions. I have used zoom and Microsoft teams for things such as attending virtual

business and state meetings. When sending out error correction letters I use Pages to create and print

out the letters.

Do not list relatives, political contacts, or employees of the Department of Public Safety (including BMV). Nonprofit corporations should list references who are familiar with the nonprofit corporation's activities.

28. Employment, management, supervisory, and business experience. Each Proposer's experience is one of the most important factors to be considered in the award of deputy registrar contracts. For the purposes of this RFP, experience gained prior to the year 1990 will not be evaluated or considered. If the position you held in 1990 was one you started before 1990, you may list that position and the date you actually started on your submitted resume. If you did not hold any position in 1990, please begin with the first position you held after 1990. If applying as a NPC, please provide a description of the fundraising, program, and charitable functions of the nonprofit corporation.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE
FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary.*

3.3 CUSTOMER SERVICE EXPERIENCE

Instructions. Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

- A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

If I am selected as the Deputy of the #25-E agency the first thing I would implement would be an express line prioritizing sticker renewals and vehicle registration transactions. I recently visited the agency and there was a 54 minute wait with no designated line for sticker renewals, I believe with this line it would help to expedite shorter transactions which would keep those customers happy and help to ensure that they return for any future needs they may have. Another top priority would be to have someone out front working to welcome, sign in, and screen the customers' documents. I did notice a counter for a document screening employee at the agency but it was not being utilized. I feel that this is a very important role in an agency of this size because there are so many customers coming in unsure of what documents they need and where to go once they arrive. Having a clerk out front helps to ease the customers minds as to where to go and it also ensures that those customers have the documentation that they need for larger transactions such as compliant licenses without having to wait all that time just to be turned away for improper documents.

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

I plan to be responsible and accountable for my business by being present there on a daily basis. I intend to be working upfront and processing transactions right alongside my employees. I also plan to personally deal with irate customers if a situation were to occur, making sure to keep my employees as comfortable as possible in those tough situations.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

I will ensure that all rules, laws, and guidelines are followed by following every day standard procedures. I will review all drivers license and vehicle registration applications within the week they were processed. I will take my time when checking employees' 5745 documents. I will also be present in the agency on a daily basis to monitor the transactions taking place.

3. What measures will you put in place to detect, deter, and prevent fraud?

I will make sure that all of my employees are aware of the security features that are on legitimate documents by using state provided fraud training. I will also make sure to have fraud detection tools on site at the agency such as a magnifying glass, a blacklight, and a magnifying light and make sure that the employees are aware of where they are located and how to use them.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

I will make sure to print out all broadcasts so they are available to staff. I will also put new procedures in writing that are not presented to staff by broadcasts. Both the broadcasts and new procedures will be initialed by staff and will be easily available to review for further clarification if needed. I will ensure that these procedures are being followed by being present and vigilant out front during business hours.

5. How will you demonstrate good leadership to your employees?

I will demonstrate good leadership by coming to work with a positive attitude every day. I will type alongside the employees and greet customers with a welcoming and positive attitude. If there were to be an uncomfortable situation with a customer I would be more than willing to handle the situation instead of forcing another clerk to do so. I want my employees to feel like we are a team and I am just as willing to handle everything that they would.

6. How will you maintain a high level of professionalism each day in this business?

I will maintain a high level of professionalism by keeping the office clean and organized on a daily basis. I also would be open to new ideas if suggested by employees. I would make sure that staff is familiar with the dresscode as well as the code of conduct. I also would be sure to keep a positive attitude on a daily basis setting a positive example for the rest of the staff.

7. How do you intend to recruit and retain high quality employees?

I would make sure to offer employees competitive wages and would do my best to be flexible with scheduling. I would post on a hiring website for potential employees and screen the applicants. From there anyone who looked like a good candidate would be given a phone interview to get a better feel for them and to discuss job requirements. If they seemed like a good candidate after the phone interview they would be asked to come in for a face to face interview to go over details about the job and to get a feel for the environment that they would be working in.

8. How will you provide a safe, clean and friendly place to do business?

I will make sure that the office is cleaned daily. It is important to make sure that the office as well as the parking lots and walk ways are free from obstacles. I will also make sure that the employees are aware that there will be a no tolerance gossip policy related both the customers and the other employees. I will make sure to have a friendly and welcoming attitude to both the staff and customers.

9. How would you deal with an irate customer?

I would make sure to stay calm while speaking to the customer and be sure to go over all of their options with them. I would make sure not to talk over them and to let them communicate their frustrations and be sure to communicate that I do sympathize with them. I would make sure to keep a friendly attitude and would do my best to make sure that the customer was able to get what they needed done promptly.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

I would make sure that all of my employees know to keep calm when in this situation and that the best way to deal with that situation is to keep being positive. Make sure that they are fully listening to the customer and that they are not speaking over them because it will only escalate the situation. I also would want my employees to know that they are more than welcome to get my attention if they are in one of those situations and I will be more than willing to assist them as needed.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

I will make sure that the staff and I are aware of the BMV's goals and expectations and are able to adapt to any future changes that may occur. Making sure that everyone is friendly and welcoming to all customers and that the bureau is a positive environment to both the employees and to the customers. I will make sure to keep the office clean and organized to make it easy to navigate for both the staff and customers. I would also be working out front along with the other clerks which would give me the ability to oversee the interactions taking place making sure that they are positive and productive.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

This is the second agency that I have worked at and I have gained a lot of experience especially under my current deputy. I have assisted the deputy in developing and implementing procedures during COVID and current times. I have helped train both new employees and new field staff with all procedures and transactions. I am familiar with all types of transactions as well as daily required reports. I work directly with company representatives to do fleet work for my current agency. I have also worked as a prequalifier by reviewing documents and assisting the customers to sign into Q flow. Working in all of these positions will be helpful when training new hires and while running an agency because I am familiar with the challenges that may present themselves and may be able to better find fitting solutions for my customers and employees.
