FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE
FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary.*

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

I will continue to work directly with the public, my employees and all BMV staff. With leading by example, I am personally involved in training each employee to operate my agency efficiently and with great customer service. I regularly monitor end of day reports, deposits, inventory and all agency interactions. I have implemented a strong chain of command between my clerks, management staff and myself which has been invaluable in creating our dynamic team.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

By being actively involved in my agency, I will continue to maintain a staff that is extensively trained in following all the laws, rules, guidelines and procedures set forth by the BMV. I will utilize all the tools necessary in facilitating their training which includes but is not limited to the use of manuals, broadcasts, emails, fraudulent document training and mandatory meetings. All driver's license, identification card and vehicle registration applications are and will continue to be reviewed daily by management and/or myself.

3. What measures will you put in place to detect, deter, and prevent fraud?

My employees and I complete all required fraudulent document training classes which keeps us up to date and diligent in preventing fraud. I keep multiple counterfeit money detector pens and compact UV lamps in my agency to help detect altered and fraudulent documents. I directly investigate any unusual activity conducted by my customers or my staff. Fraudulent activity is not tolerated and is dealt with accordingly by myself, BMV Investigations and/or law enforcement.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

I hold my management team responsible for making sure that the entire staff is aware of each broadcast. Once everyone including myself has read and initialed the broadcast, management files it in a binder. This is kept in the customer service work area so that my staff has easy access to reviewing any changes. Depending on what the changes are, a mandatory meeting may be held by management and/or myself to discuss any questions or concerns that my staff may have.

5. How will you demonstrate good leadership to your employees?

I work side by side my employees daily which allows me to model the behavior I expect to see from my staff. Therefore I hold not only my employees accountable for their performance but myself as well. I always stay organized, keep a positive attitude and encourage open communication in order to maintain a motivated staff that consistently provides excellent customer service. I respect and value the relationship I have with my employees which is the basis for which I am able to lead such an effective team.

6. How will you maintain a high level of professionalism each day in this business?

The service we provide to our customers is a reflection of who we are as a team and is a testament to our professionalism. My employees are required to be conscientious of their interactions with others. Maintaining a high level of professionalism is achieved from their combined efforts and is ultimately derived from the respect that they give to their customers and coworkers. My employees and I conduct ourselves with pride in our work, communicate concisely, wear appropriate attire and operate with the same goals in mind. A high level of professionalism is required and is a standard to which I hold myself and my employees at all times.

7. How do you intend to recruit and retain high quality employees?

When recruiting high quality employees, I seek applicants who convey a positive attitude, are personable, have customer service experience and seem eager to become a part of our team. My staff must have the same goals in mind which are to be efficient in all duties and to provide the highest quality of customer service. I retain high quality employees by rewarding them with fringe benefits, raises and bonuses for their dependability and achievements in providing excellent customer service.

8. How will you provide a safe, clean and friendly place to do business?

My business will remain safe by maintaining a security alarm system and with the use of a monitored recording video surveillance system. I will continue to observe activity inside the agency and I will address any potential safety concerns as they arise. My employees clean the office daily while provisions are made for carpet cleaning and repainting as needed. My staff and I will continue to operate my business in a friendly, professional manner which is conducive with providing exceptional customer service.

9. How would you deal with an irate customer?

By remaining calm and listening attentively I am able to determine exactly why the customer is irate. Once I fully understand the issue at hand, I work towards defusing the situation. While empathizing with the customer, I immediately solve the issue or guide the customer to the options available for obtaining the quickest solution. My staff follows these guidelines and are also familiar with the same defusing techniques that I display when engaged with an irate customer.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

I have a low tolerance for negativity in the workplace so I train my staff to remain optimistic in all situations which allows my agency to retain a friendly environment. This is reflected in the positive commendations we receive from our customers daily and results in my office rarely having irate customers. Overall, my employees are advised to be conscientious of their customer's standpoint and are trained to resolve any issues in a calm, professional manner.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

I have and will always set high expectations for myself and my employees. This has aided in my agency's overall growth and success. My agency has become a reputable, efficient and service oriented location for the public. I will continue to employ a devoted staff that is thoroughly trained in all BMV procedures and fully committed to providing the highest quality of customer service. I will keep all of my employees motivated towards reaching any expectations I have of them. Through hard work, dedication and the acceptance of nothing but the best from myself as well as my staff, I will continue to meet the expectations of the Bureau of Motor Vehicles.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

I am proud to have spend the last nineteen years being a part of the Ohio Bureau of Motor Vehicles with seventeen of those wonderful years dedicated to being a deputy registrar. While adapting quickly to change, I have persevered through a multitude of obstacles and overcame numerous challenges with great triumph. Engaging in a profession that I genuinely enjoy and having my agency continually complimented by my customers is, without a doubt, my ultimate reward. I stand firm in my commitment to all aspects of operating a deputy registrar license agency and I will incorporate my years of experience with continuing to grow my business to new heights of success if awarded another contract.
