FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE
FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

3.3 CUSTOMER SERVICE EXPERIENCE

Instructions. Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

- A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

I frequently have more staff onhand than what is required per BMV staffing requirements. This allows me to always have every computer manned and to also have a "floater" that helps with taking pictures and answering telephone calls. This floater also works the line in order to make sure customers are prepared before they step up to the counter by checking their documents and filling out some of the applications that they will need. Our customers are always very appreciated as this helps considerably with the wait time.

I voluntarily placed a testing kiosk at the Wapakoneta agency for customer convenience.

At the Lima agency, in order to serve our non-US citizens that may not speak English, we have made a folder with pictures of common documents to help communicate what we may need for their transaction.

I periodically do a refresher course on good customer service practices with my employees to make sure we are always providing the best customer service possible. While my employees are always pleasant, some of the challenges that come with the new processes can take its toll.

Next Gen TV is hanging in both of my agencies. This gives our customers a lot of valuable information while entertaining them with fun facts.

Even though we accept credit cards, I still have an ATM at both agencies. Occasionally the credit card system goes down or a customer may want to purchase a non-BMV related item such as a watercraft registration or a background check. This has been very helpful since many people do not carry cash.

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

If I am awarded both agency contracts again, I would continue to have an experienced and competent manager at each site and divide my time with each agency to oversee daily operations. If an issue arises, whether it is about procedure, customer service, or employee relations, I would deal with it myself immediately.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

We have a very good system of checking all transactions that have taken place each day. Each vehicle registration is checked by myself, manager, or assistant manager before it is put into storage to make sure that it has been processed accurately and with all accompanying documentation. There is a mandatory procedure that is always followed to ensure that all rules for issuing DL/IDs are followed, i.e. a supervisor always checks the DL/ID application and documentation before the card is processed. Then all transactions are later reviewed in BASS by a manager to double check for accuracy.

3. What measures will you put in place to detect, deter, and prevent fraud?

As always, I will follow all procedures set forth by the BMV for handling and processing documents in a safe and secure manner. Currently my employees are well trained to detect fraudulent documents and they will continue to get periodic document training. If fraud is suspected, my employees know the investigative review process. I will continue to check all work at the end of each business day and scrutinize each day's reports to watch for inconsistencies.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

All broadcasts are to be initialed by each employee after reading and then are kept in a binder. Sometimes copies of new rules are also placed in other files for quick access until the rule becomes routine. We discuss new procedures to make sure everyone in the office understands how to implement. I routinely put out memos in written form when a procedure needs clarification and all employees initial after reading. If there is a major change in something that we do, I will call a staff meetin after business hours to explain and take questions about procedure.

5. How will you demonstrate good leadership to your employees?

I lead by example. I am a full time deputy registrar. I always try to act in a professional and friendly manner with customers using good customer service skills that I have honed over the 43 years of working in a deputy registrar agency.

I develop good managers at each location to help lead our employees to be the best they can be.

6. How will you maintain a high level of professionalism each day in this business?

I always dress in a professional manner and insist that my employees follow this professional dress code explained in thier employee handbook. First impressions are important.

I step in with customers when necessary to resolve issues that might need extra care and expertise.

I and my employees understand the gravity of issuing credentials and registrations and do not make light of the rules set forth by the BMV.

I also employ a professional cleaning company to make sure the office looks neat and orderly.

7. How do you intend to recruit and retain high quality employees?

I interview all potential employees and check references and try to hire the ones that I feel would be trustworthy, friendly, and have the ability to learn.

I retain quality employees by paying a competative wage and offer quarterly bonuses based on good work ethic and attendance. Employees also get paid holidays, vacation, and IRA with 3% company match. We also have a flexible schedule.

All employees are treated fairly and respectfully.

8. How will you provide a safe, clean and friendly place to do business?

I have a good working relationship with the landlord at each agency. I have a good facility maintenance plan in place that outlines the duties to be performed by the landlord such as cleaning of the office, snow removal, security monitering, etc. When the employees are not busy, they tidy up the waiting area and keep their personal workspaces clean and uncluttered.

Employees will engage their good customer service skills to ensure that this office is a friendly place to do business.

9. How would you deal with an irate customer?

I would first ask the customer to walk over to a more private area with me. I would then listen carefully after asking the customer to explain the situation. Then I would discuss possible solutions in a very calm manner. Usually this is all that is needed because a customer really just wants to be heard and get help finding resolution. If I cannot resolve the issue I can at least help him find someone who can. I may offer contact information for an agency that can help such as BMV in Columbus, the Social Security Administration, Or the Clerk of Courts, etc. In the extremely rare case that a customer becomes violent or extremely disruptive, I would push the panic button which would summon the local police.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

First, listen carefully to the customer before responding. Then in a calm, non-condescending manner explain to the customer what his options are. If a customer is treated with respect and kindness, he usually calms down. And then even if we cannot help him, we will at least give any information we have to help him resolve the issue such as a phone number, a website, or a list of acceptable documents, etc.

If any employee doesn't feel they can handle a certain situation, they are instructed to ask me or the manager to step in.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

I will continue to stay up to date on all policies and procedures in order to be as efficient as possible. I will keep in good communication with my BMV district staff in order to always do my best.

I will continue to provide the best customer service at my agency which helps preserve the good reputation of the Ohio BMV. I will always act in professional manner as I am the face of the Ohio BMV in Auglaize and Allen Counties.

As always, I and my staff will continue to evolve and adapt with the ever changing roll in performing services for the Ohio BMV.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

I believe that my experience and exceptional evaluations speak volumes. I have a wealth of BMV knowledge and experience that dates clear back to 1983. I have a staff of extremely dedicated employees that add a lot of experience as well.

I have always scored well on my evaluations because of my commitment and integrity. I care about the good reputation of my agencies.

I frequently get comments from customers that they love coming to my agency because we are fast and friendly.

I have chosen to work as a deputy registrar all these years because I love what I do. I look forward to the new challenges on the horizon.

Instructions

If the location you are submitting a proposal for is designated in the Agency Specifications as a deputy Provided **Proximity Site**, complete this form and include the original with your proposal. If it is designated as a Deputy Provided **Non-Proximity Site**, do not submit this form.

This document is for locations which the Registrar has designated for One-Stop Shopping to encourage the deputy registrar to provide a site located close to either an **existing** Driver's License Examination Station or an **existing** Clerk of Courts Title Office.

Bureau of Motor Vehicles (BMV) records indicate that a Driver's License Examination Station or a Clerk of Courts Title Office, or both, are situated within the boundaries of this location.

If there are both a Driver's License Examination Station and a Clerk of Courts Title Office within the boundaries of this location, equal consideration will be given for situating close to either one.

In evaluating the proposed deputy registrar site's proximity to either a Driver's License Examination Station (Exam Station) or a Clerk of Courts Title Office (Title Office), the Registrar intends to give the following consideration:

Highest Consideration: Highest consideration will be given to sites situated in the same building, in an adjacent building, within the same business district, or within the same shopping center as the **existing** Exam Station or Title Office.

Second Highest Consideration: Second highest consideration will be given to sites situated within approximately one-half mile, by most direct public-access route, to the **existing** Exam Station or Title Office.

Proposers shall not attempt to influence a Driver's Examination Station or a Clerk's Title Office to move to a different location at this time. No credit will be given during this RFP process to any proposer who proposes to relocate a Driver's License Examination Station or a Clerk's Title Office to be closer to the proposer's site.
