No _____ Yes ☒

If "YES" please explain all computer experience in detail.

I am able to efficiently use Microsoft Office. This includes Word, Excel, Outlook and Powerpoint. These skills enable me to communicate with customers in writing, account for and track expenses, and better train employees. Additionally, I am able to effectively use email and teleconferencing platforms. I am also very familiar with BASS and Q Flow because they are used daily within the scope of deputy registrar duties. I have done every job in a deputy registrar office. That experience allows me to process transactions, evaluate processed transactions, and troubleshoot issues.

27. Please provide the requested information for three persons we can contact by telephone during daytime business hours and who will serve as a character reference for you. Do not list relatives, political contacts, or employees of the Department of Public Safety (including BMV). If we are unable to contact at least one person or that person is unable to serve as a character reference, you may be evaluated unfavorably. Nonprofit corporations should list references who are familiar with the nonprofit corporation's activities.

28. Employment, management, supervisory, and business experience. Each Proposer's experience is one of the most important factors to be considered in the award of deputy registrar contracts. For the purposes of this RFP, experience gained prior to the year 1990 will not be evaluated or considered. If the position you held in 1990 was one you started before 1990, you may list that position and the date you actually started on your submitted resume. If you did not hold any position in 1990, please begin with the first position you held after 1990. If applying as a NPC, please provide a description of the fundraising, program, and charitable functions of the nonprofit corporation.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE
FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary.*

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

In order to achieve these goals I plan to have appropriate staffing levels at all times, communicate effectively with district staff, be visible at my agencies and work the counter if needed, work high volume days, delegate responsibility to maximize broader objectives, review the previous day's applications, and set goals for continuous improvement.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

I plan to ensure that all laws and procedures are followed by paying close attention to broadcasts and implementing them effectively, using external resources (DTS, License Control, RPC), make sure my staff is trained to examine all document with a critical eye, and being aware of incidents around the state to learn from their successes and failures.

3. What measures will you put in place to detect, deter, and prevent fraud?

I plan to detect, deter, and prevent fraud by continuously improving the knowledge of my staff, critically review docs presented to us, if any doc is in question request additional documents, conduct cash drawer audits, complete extensive investigative reviews when necessary, and encourage staff to ask questions if they are unsure.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

I will make sure that all broadcasts are implemented by having clerks read and initial them as they are issued, verbally explain key points and the logic behind them, and ask district staff for clarification if anything is unclear.

5. How will you demonstrate good leadership to your employees?

I will demonstrate good leadership to my employees by being available to support them, displaying excellent customer service, taking it upon myself to handle difficult customers, displaying good customer service in all mediums of communication, and being up front with my mistakes so everyone can learn from them.

6. How will you maintain a high level of professionalism each day in this business?

We will maintain a high level of professionalism by wearing proper attire, making sure we represent ourselves well in dealing with customers, support services, vendors, and district staff. No food or drink at the counter and by always giving my full attention to the customer.

7. How do you intend to recruit and retain high quality employees?

I intend to achieve these goals by offering competitive pay, having a family atmosphere at work, having team building activities outside of work, utilize a probationary period for new employees and letting them go if they do not provide good customer service, and pay raises based on tenure and performance.

8. How will you provide a safe, clean and friendly place to do business?

Our office will be a safe, clean, and friendly environment. It will be cleaned nightly, every customer will be greeted and given full attention of the staff, zero tolerance for inappropriate language or behavior from my staff or our customers. I will also encourage feedback from customers in order to continuously improve.

9. How would you deal with an irate customer?

In dealing with an irate customer the first thing I would do is try to understand their situation, let them vent their frustrations, show sympathy, offer multiple solutions if available and let them choose their course of action, be firm but not rude, and if they leave and return make accommodations to help them personally.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

In order to train an employee in this situation I would stress the importance of letting the customer detail their circumstance, encourage them to get a manager's help if neccessary, and always follow rules and procedures to resolve the situation correctly.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

I feel that I will meet the expectations of the BMV by safeguarding assets and sensitive documents, making our goal to provide excellent customer service every day, giving customers the right information, work to improve daily, being responsible with state funds as well as my personal funds, and demonstrating social responsibility wherever possible within our community.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

I believe that the BMV should consider me for a deputy registrar contract because of my 25+ years of experience, my ability to deal with conflict and adverse situations, my accounting background, attention to detail, honesty, reliability, organizational skills, tenured staff, familiarity with customers and local businesses, and I am a team player that can be counted on.
